Technology Access and Education

Learn digital skills, find affordable internet, and access devices to help with daily activities
[Get Connected!](#) [Find a Digital Resource Center](#)

Program Overview

We live in a world that's more online than ever. We help residents confidently handle digital tasks in their daily lives by providing education, technology, and internet access.

You can download our [CHA Digital Inclusion brochure](#) to print your own copies.

Benefits of the Program

- [Technology classes](#) that meet you where you are
- [Digital Resources Centers (DRCs)](#) which provide open computer time and technical support
- Refurbished devices from our partners, PCs for People and Compudot (for families who qualify)
- Help finding and applying for affordable internet

Eligibility for the Program

- All CHA residents can get assistance in finding low-cost internet plans and can access our Digital Resource Centers for additional support and resources.
- Education courses and refurbished devices are available based on certain eligibility rules beyond being a CHA resident.
